

# FRANCK BONVILLE CHAMPAGNE

For this new year, we are pleased to share with you our latest bottlings and vintages that are going to be commercialized through 2021.

## Les Belles Voyes 2013 *Grand Cru Blanc de Blancs*

Our single vineyard cuvée is now available with vintage 2013. The weather has been capricious during this year but highlighted the chardonnays by giving them a remarkable complexity. Vinified under oak, this champagne shows an intense aromatic palette, underlined by the typical freshness from the Côte des Blancs.

## Millésime 2014 *Grand Cru Blanc de Blancs*

The last few bottles of Brut Millésime 2013 have recently been replaced by vintage 2014. After a patient ageing of more than 5 years in our cellars, this cuvée is perfectly balanced between the minerality of Avize's terroir, and the characteristic aromas of ripe chardonnays, witnesses of a superb year in Champagne.

## Trilogy Pura Terroirs 2014

The trio Pur Avize, Pur Mesnil et Pur Oger will be back next spring. Disgorged in December 2020, we let them rest a couple more months before. Then, they will leave the estate from May, 1st 2021.

## Pur Oger 2012, 1st place at Larsson's blind tasting

Andreas Larsson – best sommelier of the world – has rated our cuvée Pur Oger 94/100, highest score of his 2020 blind tasting.

« Bright light golden colour with fine vivid bubbles. Pure nose with nice layers, chalk, wet stone, hazelnut, ripe peach and fresh butter. The palate has an excellent bite and freshness with fine extract, ripe stone fruit with crushed hazelnut and a long, lingering chalky finish, very digest. »

## Millésime 2013 awarded by Gilbert & Gaillard

Our vintage 2013 got 93/100 at the latest International Challenge, led by Gilbert & Gaillard. We can't wait to see what critics will say about 2014...

« Beautiful light golden color. The nose opens slowly on mineral fruity flavors, lightly toasted. The mouth reveals a fresh champagne, tense with extremely elegant aromas. Full body, with a long salty ending. »
